

RTU offers Master studies in English

Faculty	Study programme	Study duration – tuition USD/year	Intake*
Civil Engineering	Civil Engineering	1/2,5 years – 4550	A
	Innovative Road and Bridge Engineering	1,5 years – 4550	A
Computer Science and Information Technology	Computer Systems	2 years – 3750	A/S
	Business Informatics	2 years – 3300	A/S
	Logistics and Supply Chain Management	2 years – 3250	A
Electronics and Telecommunications	Telecommunications	2 years – 3400	A/S
	Electronics	2 years – 3300	A/S
Engineering Economics and Management	Entrepreneurship and Management	2 years – 3200	A/S
	Business Finance	2 years – 2900	A/S
	Civil Construction and Real Estate Management	1,5/2,5 years – 2900	A/S
	Innovation and Entrepreneurship	1,5/2 years – 5100	A
	Organization and Management of International Economic Relations	1,5/2,5 years – 4000	A
	Urban and Regional Engineering Economics	1,5/2,5 years – 2900	A
Power and Electrical Engineering	Computerized Control of Electrical Technologies	2 years – 3400	A/S
	Environmental Sciences	2 years – 3400	A
Mechanical Engineering, Transport and Aeronautics	Engineering Technology, Mechanics and Mechanical Engineering	2 years – 3750	A/S
	Production Engineering	2 years – 3750	A/S
	Aviation Transport	2/3 years – 3400	A
	Medical Engineering and Physics	1 year – 3400	A
	Heat Power and Thermal Engineering	1,5/2,5 years – 3400	A
	Nanoengineering	2 years – 3400	A
	Industrial Engineering and Management	2 years – 3400	A
	Railway Transport	1,5/3 years – 3300	A
	Railway Electrical Systems	1,5/3 years – 3300	A
E-Learning Technologies and Humanities	Technical Translation	1,5/2 years – 3400	A/S

* A – Autumn intake / S – Spring intake
